

# SIZE GUIDE FOR RINGS.

NADIA VALMA

For the best results, please print this page in "actual size" in an A4 page size.  
To check that the Ring Size chart has been printed properly place a credit card on the line below and make sure it fits within the bounds.

To find your ring size, use an existing ring that fits you well, for the best result use a simple wedding band shaped ring. **Match the inside** of your ring with one of the circles below. Make sure you only see the white inside of the circle and not the black line inside your ring. **If your ideal fit is between two sizes, we recommend you select the larger size.**
